Media Release

Final terms of the proposed stock dividend for the financial year 2012

Zurich, April 26, 2013 **Credit Suisse Group AG today announced the final terms of the proposed stock dividend for the financial year 2012. The Board of Directors set the ratio at which new Credit Suisse Group AG shares will be issued to 1 new share for 41 existing shares.**

As previously announced, the Board of Directors proposes for the financial year 2012 a combined distribution against reserves from capital contributions in cash of CHF 0.10 per registered share (cash dividend) and in the form of new shares (stock dividend).

With respect to the stock dividend, the Board of Directors decided that 41 existing Credit Suisse Group AG shares are required to receive 1 new Credit Suisse Group AG share free of charge in the context of the proposed stock dividend to be approved by the Annual General Meeting taking place today. The ratio was set so that the theoretical value of each right to be allocated to the shareholders is approximately CHF 0.65 based on the current share price level.

If today's Annual General Meeting approves the proposed distribution of the stock dividend and the proposed increase of the authorized capital, each shareholder will be allocated one non-tradable right for every Credit Suisse Group AG share held after market close on April 29, 2013. The rights will automatically be exchanged for new Credit Suisse Group AG shares at the ratio of 1:41 free of charge. No fractions of new Credit Suisse Group AG shares – i.e. a number of rights that is not an integral multiple of the divisor of the ratio – will be issued. Fractions will be purchased by Credit Suisse AG on the basis of the volume weighted average price (VWAP) of the Credit Suisse Group AG shares in the period from May 3 to May 7, 2013. Based on 1,539,643,781 Credit Suisse Group AG shares eligible for the distribution, the ratio of 1:41 (new : old shares) translates into 37,552,287 shares to be newly issued or 2.4% of currently issued shares.

The new Credit Suisse Group AG shares are expected to be delivered on May 13, 2013. Likewise, the listing and first trading day of the new Credit Suisse Group AG shares on SIX Swiss Exchange as well as the payment of the fractions are also expected to occur on May 13, 2013.

Further information about the stock dividend can be found in the 'Shareholder Information – Summary Document', which can be accessed at: www.credit-suisse.com/agm

Statements by Urs Rohner, Chairman of the Board of Directors

Urs Rohner, Chairman of the Board of Directors of Credit Suisse Group, said: "Despite the challenging operating environment, we made significant progress during the past financial year. In 2012, we achieved improvements in both capital and cost efficiency, reduced the size of our balance sheet and risk-weighted assets, and transformed our businesses in line with stricter regulatory requirements, the evolving market environment and changing client needs. Despite difficult market conditions, we generated underlying pre-tax income of CHF 5.0 billion – double the result for the previous year. At the same time, we gained further market share. This shows that our progress is increasingly reflected in our operating results and confirms that we are on the right track."

Commenting on the approval of all the items on the agenda and on the consultative vote on the 2012 Compensation Report, Urs Rohner stated: "We are pleased by the positive voting results and, in particular, by the high level of shareholder approval for the Compensation Report of 87.98%. We regard the outcome of the consultative vote as an acknowledgement of the changes we have made to our compensation structure in 2012. We will continue to regularly review our compensation practices and, in the coming years, will focus on the division of profits between shareholders and employees with the aim of achieving a more balanced distribution in future."

With regard to the elections to the Board of Directors, Urs Rohner added: "I am very pleased to welcome Kai S. Nargolwala as a new member of the Board of Directors. As a proven expert with extensive knowledge of the finance industry and a broad experience in different sectors in Asia – one of the bank's growth regions – he is a valuable addition to the Board of Directors. At the same time, the re-election of Noreen Doyle and Jassim Bin Hamad J.J. Al Thani ensures continuity in the Board. I would like to offer

my sincere thanks to the departing members of the Board of Directors, Robert H. Benmosche, Aziz R.D. Syriani and David W. Syz, for their valuable contribution."
